Other Information & Cancellation

- All cruises can be performed with winds up to Beaufort force 6, with weather prediction on the previous day. In the rare occasion that a cruise is cancelled due to bad weather, all

bookings are automatically transferred to the immediately following days and cruises of the corresponding price. Alternatively, the clients are entitled to a 80% refund, providing that they show proof (boat or flight ticket) of their departure from the Island.

- Mykonos Cruises reserves the right until 24hours prior to the cruise, to change the embarkation or disembarkation port from the new port to the port of Agios Ioannis, with free of charge transportation to the passengers from the "old" location to the new. This change will take effect in the occasion that the northern winds reach Beaufort force 5.
